FOR IMMEDIATE RELEASE- BLACKWATER CREEK TRAIL CLOSED THROUGH
DECEMBER 27TH.

The Blackwater Creek Bikeway and Point of Honor Trail sections of the James River Heritage Trail will be closed for two weeks beginning December 13-27th. The trail will be physically blocked near the merging of Blackwater Creek and the James River as construction crews excavate and place footings for the new Point of Honor Bridge that will connect the Blackwater Creek Bikeway with the Point of Honor Trail.

We apologize for any inconvenience this construction may cause. The trail may be closed intermittently after this period as bridge construction continues. The project should be completed by early summer of 2005. Questions and concerns may be directed to the Parks Manager at (434) 455-5876.
